

Legalize Sleep

Homeless United for Friendship & Freedom (HUFF) needs your help to fight the Criminalization of Poverty.

*** City Code 6.36.010a, which makes the very act of sleeping outside or in a vehicle after 11pm a crime. As is covering up with a blanket (MC 6.36.010b).

*** UCSC Ordinance 51 reads "During hours of darkness, no person shall sleep in any vehicle parked on campus".

*** UCSC Ordinance 57 bans outdoor sleeping between 11 PM and 8:30AM and provides for \$162 penalties.

*** Denying the right to sleep is a form of torture when there is shelter space for 39 of 1500-2000 people 8 months a year

*** 43 homeless men and women lost their lives last year while our City Council and UC Regents kept sleeping and camping crimes without expanding shelter.

Call HUFF at 423-HUFF (4833) or email ucscactivists@yahoo.com to save lives.
